**COVID-19: What Should Students Do?**

### I have SYMPTOMS of COVID-19.
Call the MSU Triage Line at 855-958-2678 for further guidance.  
If you are asked to get tested, you can do so through the Early Detection Program or at Olin Health Center (by appointment only).

### I have a POSITIVE COVID-19 TEST RESULT
**Please isolate.** Avoid contact with others, wear a face covering and maintain good hygiene.
Call the MSU Triage Line at 855-958-2678 and follow their guidance.
**Live on campus?** Call the RHS COVID-19 Hotline at 517-884-6862 to be relocated to Quarantine/Isolation housing.

### If you are vaccinated, monitor for symptoms for 14 days.  
Consider participating in the COVID-19 Early Detection Program 3-5 days after exposure.
**If symptoms appear, please reference symptoms scenario column.**

### If you are unvaccinated, call the MSU Triage Line at 855-958-2678 for further guidance.
**Live on campus?** Call the RHS COVID-19 Hotline at 517-884-6862 to be relocated to Quarantine/Isolation housing.

---

TOGETHER WE WILL PROTECT OUR FELLOW SPARTANS.

If you tested positive for COVID-19 or show symptoms of COVID-19 and are waiting for MSU Triage guidance or relocation to quarantine/isolation housing:

• It is necessary for your safety, and the safety of others, to stay in your room as much as possible.
• Refrain from having guests in your room. Anyone visiting may become a close contact.
• Wear a face covering, practice frequent handwashing and maintain physical distancing whenever you are out of your room.
• Follow health instructions given to you. If you need medical attention, please contact a local urgent care or medical provider, Olin Health Center at 517-884-6546, or the 24-hour nurse line at 517-353-5557. For medical emergencies, call 911.
